2/15/12- Production meeting #6

Start: 12:00 **End:** 1:00 **Break:**

Costumes:

- Katelyn Hall is now going to be helping costumes!
- Kelly is coming back to take pictures for collages.
- Still working on trying to marry Angel with the rockette theme.
- Everyone came into their fitting on time, so yay!
- Nick Prenger can cut his hair as short as possible.
- Collin will be picking up his rehearsal shoes from Kelly soon.
- Only Angel and Mimi will be in any sort of heel, everyone else in either sneakers or boots.
- Address right away who is wearing what kind of shoe, just so they can start practicing.
- Thanks!

Set:

- The model is underway and most of it will be done for the presentation
- Derek found where we can get palates, it has a large variety
- Thanks!

Props:

- Thanks for the new props list, we will discuss it in our next meeting.
- We will talk about flash paper next week
- The responsibility of the camera will fall on Liz/props
- Thanks!

Lights:

- Keep in touch!
- Thanks!

Sound:

- No notes, Thanks!

General:

- Kelly will possibly be taking the production photos.

- We are still trying to figure out an exact time to take them based off of everyone schedules
- We will be taking pictures behind main street of Ames on the fire escapes and dumpsters
- We put on hold the last back 5 HR sears for sound, the 5 back HR and HL seats, and the blue seats
- If we do remove the first row on HL we need to go through the center to get their approval
- Where are we going to store the seats?
- Thanks!

Scheduling:

- Design presentation will take place at the Design lab on the 21st of February at 5:45
- Production meetings will be on Wednesdays now
- Our Next meeting will be February ^{22nd}
